- Apply
- Confirm seat
- Apply for Funding
- Contact Accessibility Services
- Register
- Attend Start Smart and Fall Orientation Spring orientation
- Pay Fees
- Attend class
- Buy books

21

CNA accommodates students with disabilities/ exceptionalities

CNA DAY 2024

22

What is a disability?

Disabilities affect people differently. Typically, a disability can be physical, neurological, psychological, intellectual, or sensory.

As the Accessibility Services Team, we are here to support students and mitigate issues around disabilities.

CNA DAY 2024

23

Accommodations

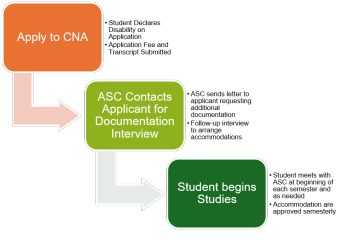

Accommodations are supports students qualify for to assist them in meeting the objectives of their program. The most common accommodations can include, but are not limited to, the following:

- Quiet Testing Space
- Extra time for testing (1.5 time)
- Information read using software (Read & Write)
- Information scribed using software (Word Dictate)

CNA DAY 2024

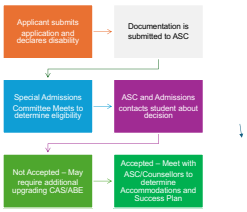

24

Applicants who meet Admission Requirements

25

Applicants who do not meet Entrance Requirements

CNA DAY 2024

26

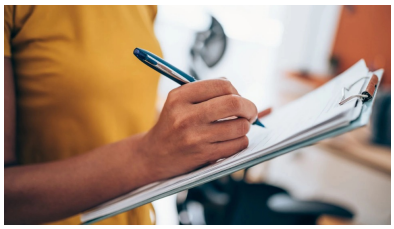

What do applicants need to do?

- Identify on the College application. Check **YES** for disability and **YES** to be contacted. (OK to identify if you don't want to divulge on your initial application)
- The Accessibility Services Coordinator will follow up with the applicant to discuss the verification of disability documentation and the accommodations needed in the program.

CNA DAY 2024

27

What documentation is needed?

CNA DAY 2024

28

Pre-Entry Interview

- What is discussed?
